

NORWEGIAN MINISTRY OF TRADE,  
INDUSTRY AND FISHERIES

Creating a dynamic blue economy  
*- the potential for aquaculture and fisheries*

Deputy Minister, Dilek Ayhan  
22 October 2015

# A world in dramatic change

Source: Bellona

# Fish and seafood – important contribution to global food security

*"...the crucial role of sustainable fisheries and sustainable aquaculture for food security and nutrition and providing for the livelihoods of millions of people".*

*UN Conference on Sustainable Development – Rio +20*

# The future lies in the ocean

# 35%

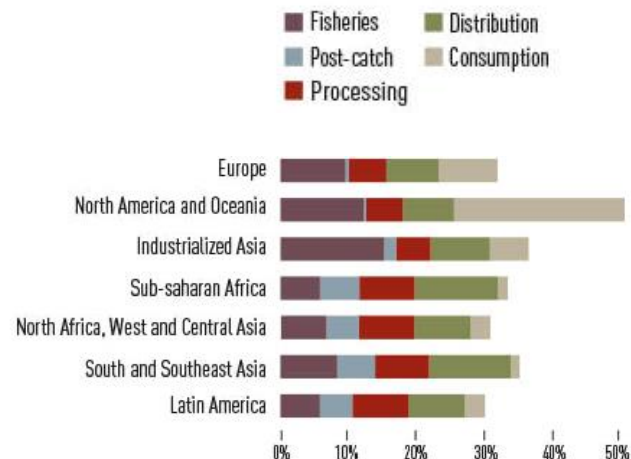

## FISH & SEAFOOD FOOD LOSSES

8% of fish caught globally is thrown back into the sea. In most cases they are dead, dying or badly damaged.

This is equal to almost 3 billion Atlantic salmon.

## «Thunder» gikk til bunns

Den jagede tråleren «Thunder» sank igår på uforklarlig vis. Fiskeriminister Elisabeth Aspaker sier arbeidet med å avdekke hvilke ulovligheter «Thunder» har vært involvert i vil fortsette.
